

HEY YOU, OVER BY THE SERVER...

I HEARD YOU WANT ME TO SHOW YOU HOW TO NAVIGATE CLOUD VM PROVIDERS?

BROUGHT TO YOU BY AEROCOMINC.COM

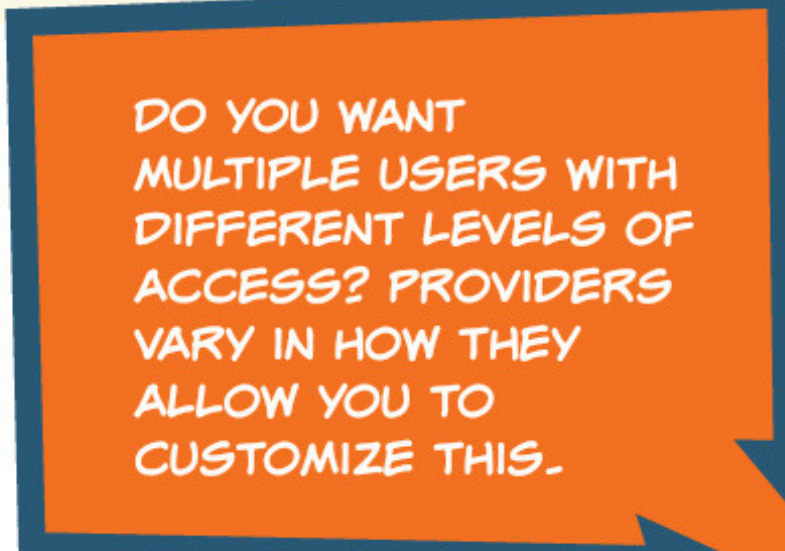

IF YOU WANT TO SKIP ALL THE WORK, CLICK HERE AND HAVE AEROCOM TELL YOU WHICH 3 CLOUD VM PROVIDERS ARE THE BEST FIT FOR YOUR COMPANY.

HMMM... WELL, OK. BUT TRY TO KEEP UP. I CAN'T RUN LATE. I'M TEACHING A HOMEBREWING CLASS AT 7...

HERE WE GO. I'M GONNA ASK YOU 7 QUESTIONS ABOUT YOUR COMPANY'S REQUIREMENTS... THEN YOU'LL BE READY TO FLY SOLO. LET'S JUMP IN...

DO YOU WANT MULTIPLE USERS WITH DIFFERENT LEVELS OF ACCESS? PROVIDERS VARY IN HOW THEY ALLOW YOU TO CUSTOMIZE THIS.

WROOONNN

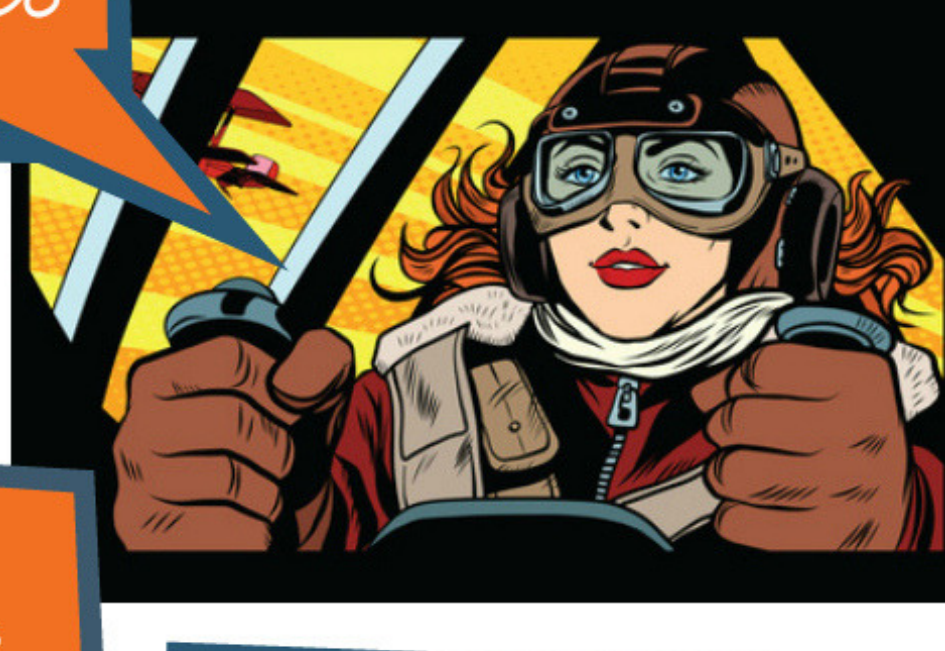

DO YOU HAVE COMMON VM DEPLOYMENTS THAT HAPPEN FREQUENTLY & REQUIRE TEMPLATES? WELL, SOME PROVIDERS DON'T DO THIS WELL.

GOT ANY IDLE SERVERS? YA, WELL BETTER FIND A PROVIDER THAT ONLY CHARGES FOR THE ACTIVE STUFF...

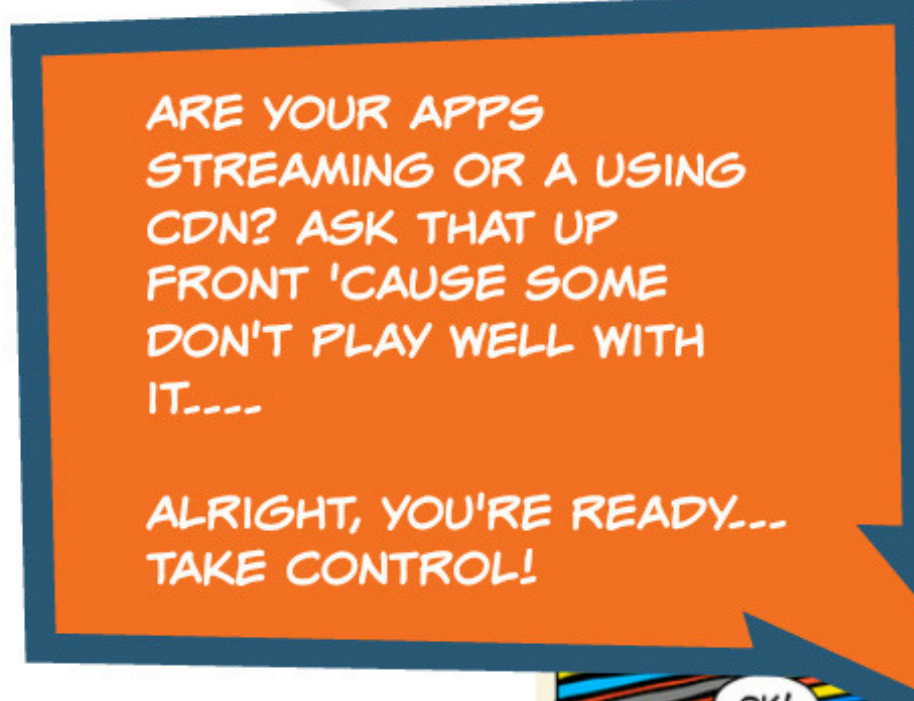

WANNA AUTOMATE POWER CYCLES & OTHER TASKS BY GROUP? YEP, SOME PROVIDERS CAN DO IT.

GOTTA ADJUST SERVERS ON THE FLY WITHOUT DESTROYING THEM? YA, ME TOO.. SOME PROVIDERS ALLOW IT.

NEED TO CUSTOMIZE SERVER BUILDS, MIXING & MATCHING CPU, STORAGE & MEMORY? UH HUH... SOME PROVIDERS WILL LET YOU.

ARE YOUR APPS STREAMING OR A USING CDN? ASK THAT UP FRONT 'CAUSE SOME DON'T PLAY WELL WITH IT....

ALRIGHT, YOU'RE READY... TAKE CONTROL!

OK!

NOT BAD... NOW TURN YOUR ANSWERS INTO QUESTIONS ON THE FIRST CALL WITH EACH PROVIDER AND YOU'LL BE LOOKIN' GOOD. SEE YOU SOON... I HOPE.
