

# Internet bandwidth per employee

## How much bandwidth does my office need?

I can't answer that but (as a business ISP broker), I can tell you approximates of what the majority of companies are ordering from me.

1 - 10  
Employees

- Primary: 100M x 20M Broadband
- Backup: None

11 - 20  
Employees

- Primary: 200M x 20M Broadband
- Backup: 50M x 10M Broadband

21 - 40  
Employees

- Primary: 300M DIA
- Backup: 100M x 20M Broadband

41 - 75  
Employees

- Primary: 500M DIA
- Backup: 200M x 20M Broadband

76 - 200  
Employees

- Primary: 1G DIA
- Backup: 300M x 20M Broadband

200+  
Employees

- Primary: 1G DIA
- Backup: 200M+ DIA
